

Arizona Hunt Seat Paint Horses And Mountain View Paint Horse Ranch

Have you ever dreamed of owning a champion caliber high point English horse? The Arizona hunt seat market is very strong, and Mountain View Paint Horse Ranch (MVPHR) is standing two of the top young Hunt Seat American Paint Horse stallions in the US. Both stallions placed in the Top 5 of their respective American Paint Horse Association (APHA) World Show classes and hold their Superior Hunter Under Saddle awards.

Arizona Paint Horses have excelled at the APHA World Show, earning numerous Top 10 finishes at the APHA World Shows in hunter under saddle (HUS) classes over the past few years.

Arizona HUS Paint Horse Breeders:

- Mountain View Paint Horse Ranch, Sherry Marx, Prescott Valley
- Dobbins Show Horses, Carolyn Dobbins, Apache Junction
- Desert Paints, Kari Lee Dennis, Yuma; and
- Real Horses, Dr. Carolyn Lee, DVM, Dewey.

Carolyn Lee is the former breeding manager of the late "Luke At Me," a leading AQHA HUS Stallion, and she is currently supporting MVPHR breeding programs.

Arizona Paint Horse HUS Trainers:

- Mark Kuhlwein, Mark Kuhlwein Show Horses, Glendale;
- Suzanne and Lora Whittington, Silver Legacy Performance Horses, Tucson;
- Sue Gilmore, Out Fox You Farms, Chandler;
- Carla Cline, Carla Cline Show Horses, Chino Valley.

Mark Kuhlwein has been working with horses his entire life, going back to his days of bringing in the cattle. Now working the show circuit, Mark himself is an APHA buckle winner, and has earned a Reserve World Championship in Sr. Hunter Hack. Mark has started many of the show horses at MVPHR. It's great to have a trainer of

RC Cruise Control – This foundation mare was sired by Red Charisma, a legendary hunt seat stallion. Her first foal was featured on the cover of the Weanling issue of the Paint Horse Journal, and she's currently in foal to current Paint Horse HUS leading sire, All Time Fancy.

Valencia Pol – The ranch's newest acquisition is a two time APHA World Champion HUS mare! This foundation mare was acquired from the HUS breeding operations of Breedlove Farms. She is in foal to HUS sensation, Indian Artifacts, for a spring foal.

Mark's caliber in the state of Arizona to support our young Hunt Seat horses.

Suzanne and Lora Whittington have been riding and training horses all their lives, and a great deal of that time was focused on hunters and jumpers. Suzanne had a Top 5 AQHA Hunter as a youth, and both sisters were medal winners on the USEF circuit. They have had the opportunity of passing that great love for Hunter horses to Suzanne's son, Chauncey Smith, who is a multiple World Champion winner in both APHA and PtHA. His championship titles include Hunter Under Saddle, Hunter Hack, Hunter Over Fences and Equitation over Fences. Chauncey is now focusing on his new horse, NFR Wiconi Warrior, a horse that was bought for him from MVPHR.

Year after year, Arizona continues to be a formidable force at the APHA World Show as seen in the table at the end of this story, particularly with top youth riders. These same riders, including Chauncey, turn right around and participate at the big "A" rated HITS shows in Arizona and garner circuit championships in that arena as well. Lora and Suzanne are regularly schooling and selling Paints into the APHA and USEF markets.

Rock With A Zippo – This mare has had a solid show career, earning 96 APHA points in Western Pleasure. This filly will also be joining the ranch broodmare band after her show career is complete. We will also be offering embryos from Rose beginning in the spring of 2009. Call the ranch for more information.

The Whittingtons train another talented two year old gelding, Supreme Charisma, that was bought from MVPHR for their client, Margaret Pizzuto. He will start his over fences training later next year. For more information and great photos, go to www.silverlegacyperformancehorses.com.

You'll notice that Sue Gilmore's or her riders' names are in the below table seven times! Sue is a legend in the youth Hunt Seat market for American Paint Horses in Arizona and has helped many youth riders achieve their dreams. She trains at Out Fox You Farms in Chandler.

Carla Cline has been showing horses since she debuted in the show ring in the lead line class as a three year old. Since that time, as a professional trainer, she has trained and exhibited many horses to Top Ten World placings in both Paint and Pinto. One of Carla's past youth students was Stephanie Rukasin who rode her gelding ZW Reddee Aim Fire to the Number Five Honor Roll in the 14 to 18 Jumper division. Carla now resides and trains in Chino Valley and has a number of HUS horses and prospects in her barn. Impinted Valentine, a three year old mare owned by Judy Krol, was named Reserve World Champion Hunter Halter Mare at the 2008 Pinto World Show. Carla had two other Top 5 horses in the Hunter Halter division at that show as well, and she is currently showing several horses in the Green and Two Year Old Hunter Under Saddle classes at the APHA shows.

**Mountain View Paint Horse Ranch
World Show Success...**

Five Mountain View Paint Horse Ranch horses have broken into the Top 5 / Top 10 of the APHA and NSBA World Shows including:

- Only The Best Will Do, 2002 Gelding
- NFR Wiconi Warrior, 2004 Gelding (Frozen semen)
- The Gift Of Midas, 2005 Stallion
- Supreme Charisma, 2006 Gelding
- Red Classy Sensation, 2008 Filly

The Gift Of Midas is a phenomenal young stallion and has earned a strong show record in his young career. When you see his golden color and flaxen mane floating across the arena, you'll know it's him! This big 16.3 hand stallion is even winning in Jr. Trail! Felipe's All-Around campaign has begun. This young stud has earned his Superior HUS title and the following awards:

- Finalist Jr. HUS 2008 APHA World Show - 2nd under one judge
- 3rd 2007 APHA World Show (HUS-2YO) - 1st under one judge
- 3rd 2007 Honor Roll (HUS-2YO)
- 4th 2008 NSBA World Show (Trail-3YO)

- 8th 2008 NSBA World Show (HUS-3YO)
- Four Time Reserve Champion Stallion (Halter)
- Zone II Circuit Champion 2008 (Jr. HUS)
- Multiple Futurity Championships
- Multiple NSBA Class Championships
- Multiple High Point Show Championships
- Multiple Arizona State Year End Championships
- APHA Superior Hunter Under Saddle
- APHA ROMs - Jr. Hunter Under Saddle, Jr. Trail, Yearling Longe Line and Yearling In-Hand Trail

It takes a lot of effort from many people to put a young stallion in position to foal future winners. Felipe has been trained and shown by World Champion Mark Kuhlwein for the past two years.

NFR Wiconi Warrior is our other phenomenal young stallion, and he has also earned a strong show record in his young career. His large, bay Thoroughbred look is exotic and is emphasized by his two sharp blue eyes and long stride. This big 16.3 hand stallion is currently winning on the Youth 14-18 HUS circuit, where he has earned his Superior HUS title. His other awards include:

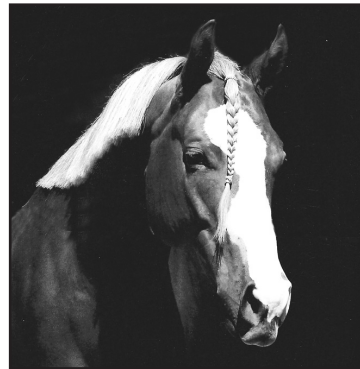

- 4th 2007 APHA World Show (3YO HUS Challenge)
- Multiple Futurity Championships
- Multiple NSBA Class Championships
- Currently on 2008 Honor Roll for Youth 14-18 HUS
- APHA ROMs in Jr. HUS and Youth 14-18 HUS

Wiconi is now owned by Chauncey Smith and Suzanne Whittington. Chauncey, Suzanne and Lora Whittington will be taking Wiconi to "new heights" as he begins his jumping career. Breeding rights were maintained by MVPHR.

Red Classy Dee – Although we lost this APHA Champion mare this year, she has produced a beautiful yearling filly that has just earned an APHA World Champion Show Top 10 placing in Yearling Longe Line and In-Hand Trail. Watch for this Zippos Sensation daughter in future years in the show arena and then in our broodmare band!

Belle has been an outstanding broodmare for MVPHR, producing both their outstanding stallion, The Gift Of Midas, and his full brother, Supreme Charisma, who just received two Top 10 placings at the 2008 Paint Fall Championship show.

Mare Power – All breeders recognize the power of the mare in producing show quality hunt seat horses. Mountain View Paint Horse Ranch began building its broodmare band before our stallions “hit their stride.” The ranch’s mares are bred by APHA Top 30 stallions and/or have outstanding show records. Some of our broodmares include:

Supreme Silver Bullet – Belle sired our stallion, The Gift Of Midas and his APHA Top 10 brother, Supreme Charisma. She has a third full sibling on the way this coming spring! Because of the success of this breeding com-

ination, the ranch will begin harvesting embryos from Belle beginning in 2009. Call the ranch for more information on acquiring one of these champion bred embryos.

Arizona Paint Horse Sales – plans are underway to conduct a Young Paint Horse sale in the fall of 2009 in Prescott Valley, Arizona. Watch for more information in the Arizona Horse Connection Magazine, on the ranch website at www.mountainviewpainthorseranch.com or call the ranch at (602) 882-0868 or (602) 820-7801 if you’re interested in bringing horses to the sale. □
